

PARENT TALK

Join us for a conversation
on Zoom for Cambridge
parents with young
children!

It has been a challenging period for parents of young children. Many of us have been feeling very isolated. Please join us for a conversation on Zoom with other parents!

- This is a space for parents to talk, connect and share challenges as well as ideas for taking care of ourselves.
- Groups will be facilitated by staff from the Community Engagement Team and Let's Talk/Agenda for Children.

Parent Talks will be offered in different languages for various communities in Cambridge in October:

Haitian Creole | October 14 | 5:45pm
